ORDINANCE 23 - 09

**AN ORDINANCE CREATING AND ENACTING CHAPTER 2150
OF THE OLMSTED COUNTY CODE OF ORDINANCES –
REGULATING THE USE OF CANNABIS
AND CANNABIS DERIVED PRODUCTS IN PUBLIC PLACES**

THE COUNTY BOARD OF THE COUNTY OF OLMSTED ORDAINS:

Section 2151. PURPOSE AND INTENT.

This Ordinance is adopted by Olmsted County for the purpose of protecting public health and safety by regulating and prohibiting the use of cannabis and cannabis derived products in public places and places of public accommodation within the County.

Minnesota Session Law 2023, Chapter 63, which became effective in relevant part on August 1, 2023, establishes that the adult use, possession and personal growing of cannabis is legal, subject to the requirements and restrictions of Minnesota Statutes.

Minnesota Session Law 2023, Chapter 63, Article 4, Section 19, which has been codified as Minn. Stat. Sec. 152.0263, Subd. 5, authorizes the adoption of a local ordinance establishing a petty misdemeanor offense for public use of cannabis.

State legislation authorizes adoption of ordinances to regulate actual or potential threats to public health. See Minn. Stat. 145A.05, subd. 1.

State legislation authorizes enforcement of local government ordinances which are more stringent than state law in protecting individuals from secondhand smoke or from involuntary exposure to aerosol or vapor from electronic delivery devices, including in areas outside of restaurants and bars. See Minn. Stat. 144.417, subd. 4.

The County intends to be proactive in protecting public health and safety by enacting an ordinance that will mitigate threats presented to the public and public health by the public use of cannabis, including unintended access and exposure of cannabis to the general public and youth of Olmsted County.

The County recognizes the risks that unintended access and use of cannabis products and exposure to cannabis and its effects present to the health, welfare, and safety of members of the public and in particular the youth of the County.
